

Try a Trade for Students and Parents/Guardians

WHY?

After a very successful Try a Trade event in November we (Lethbridge School Division, Holy Spirit Catholic School Division and Horizon School Division) are planning a similar event on Tuesday, March 21 and Wednesday, March 22. The best way for students to pique their interest in the skilled trades is to try them. It will be an evening event to accommodate parents/guardians.

WHAT?

A unique opportunity for students interested in careers in the trades to get some first-hand experience in real-world settings with local employers. Students and their parents will spend an evening at various sites learning from skilled tradespeople in a hands-on environment. Students will receive a brief orientation and tour of the site and proceed to learn some new skills related to specific trades in a small group setting.

WHEN?

Tuesday, March 21 and Wednesday, March 22 from 6:30 p.m. - 9:00 p.m. - choose either one (or both) of these dates.
